Subject: Request for pdf documents

Mr. Shipe:

This letter responds to your March 30, 2006 fax requesting pdf copies of all Prosecution Staff documents. Not all of the documents are available in pdf format. Those that are have been posted on the website with other documents related to this matter. To review the files, please contact Matt Thompson at the Water Board office. The files are available for your review between 8 am and 5 pm on business days.
